

SUGGESTED MEDIA HOLDING STATEMENT

(If one of your guests is placed in self-isolation, you may use this media statement if needed
- Please amend to suit your operation/product)

We have been alerted that a guest staying with us has been placed in self-isolation as a consequence of being in contact with a person who we understand may have Covid-19. In accordance with medical advice the guest is currently in self-isolation.

Our first priority is always the safety and wellbeing of our staff and our guests and we are working closely with the Queensland Department of Health and will follow their advice on how best to ensure their safety.

We will continue to remain vigilant and follow any instructions we receive from Queensland Health and update our staff and guests.

Please visit the Department of Health website who provide regular updates on the virus.
